## Sizing Suggestions & Helpful Hints...

- We suggest you measure your students while they are wearing a leotard for the most accurate measurements.
- When trying to decide which sizes to order, girth should be the most important measurement.
- Take into account that young children will grow throughout the year.
- Our XLC and XXLC sizes are made to fit a larger child, not a petite adult.

## Our Motto: Think of Everything ...

- All headpieces & accessories are included.
- All costumes ship on hangers in free, zippered, vinyl garment bags with name tags.
- No extra sewing is required on any costume.
- All leotard fabrics have four-way stretch.
